The motto of Lions Club International is **"We Serve"**. Members of Three Rivers Lions Club are involved in numerous service projects at the local, district, state and international level. Among our local projects are: providing eye exams and glasses for individuals needing financial assistance, Lions Citizen of the Year program recognizing exemplary service to the community, Christmas basket project, and support for community programs such as Emergency Care Network, Carnegie Center for the Arts, and Three Rivers Community Schools. Because we want to encourage young people to become involved in service to others, this scholarship is based, in part, on community service.
