KADANT JOHNSON SCHOLARSHIP FOUNDATION

MECHANICAL ENGINEERING CO-OP AND SCHOLARSHIP PROGRAM GUIDELINES

Kadant Johnson offers one Mechanical Engineering scholarship every one to two years to a Three Rivers High School senior who is preparing to attend an accredited college or university for Mechanical Engineering and will be participating in the Kadant Johnson Engineering Co-op program. The scholarship is renewable for a total of four years.

The eligibility criteria for this scholarship are as follows:

1. Must be a graduating senior of Three Rivers High School
2. Must have demonstrated good academic performance in high school
3. Must have good ACT and / or SAT scores
4. Applicant must have selected an accredited college or university
5. Must be accepted into an accredited college or university
6. The candidate must be enrolled in a full-time Mechanical Engineering program

The scholarship is renewable for up to four years, if the candidate maintains a grade point average over 3.00 / 4.00, participates in the Kadant Johnson Engineering Co-op program, and submits copies of semester grades and brief reports each semester on progress.

This Engineering Co-op program includes an offer of employment at Kadant Johnson during summer breaks during the course of the four-year Mechanical Engineering program, working in areas of increasing responsibilities.

A completed application must be turned in to the Three Rivers High School Guidance Office by March 22 in order to be considered.
