Dear Three Rivers Community Schools Families and Staff:

Due to the recent lifting of the St. Joseph County COVID-19 Emergency Order on July 5, 2021, all future Board of Education Meetings will return to an in-person only format. We will continue to follow CDC and MiOSHA guidelines in order to keep visitors and staff safe which include continued health screening check-ins prior to entering the meeting space, social distancing of seating, and optional mask recommendations as follows:

- If you are fully vaccinated, you do not need to wear a mask indoors.
- If you are not fully vaccinated and aged 2 or older, the CDC recommends wearing a mask indoors (unless you cannot tolerate a mask due to a medical condition).

The Virtual Comment Card will no longer be used and anyone wishing to address the Board during Public Comment will need to do so in person. The Board Meetings will also no longer be live streamed; however, we will continue to record the meetings which will be available for playback on the District's YouTube page located at:

Thank you for your continued support.

Sincerely,

Three Rivers Board of Education
