As a community...

We welcome a diverse range of perspectives and opinions and uphold the importance of civil debate.
We fully support the free exchange of ideas and beliefs, as well as the expression of provocative or less popular ideas.
We believe that only through the process of open and honest dialogue can we generate knowledge and deepen our mutual understanding.
We believe that all members of the community have a responsibility to behave in a manner that does not harm others and shows respect for those with different opinions.
Behavior that attacks, humiliates, belittles, or conveys personal hatred towards others diminishes our thriving and safe community environment.
Words and actions matter.
Everyone is asked to do their part in creating a healthy and positive community and a culture that truly values each person's uniqueness, experiences and perspectives.

Our Vision: Three Rivers Community Schools vision is to become the district of choice in St. Joseph County

Our Mission: The mission of Three Rivers Community Schools is to educate, motivate, and inspire all students to reach their full potential, to become successful adults and to pursue their dreams.

This meeting is a meeting of the Board of Education in public for the purpose of conducting the School District's business and is not to be considered a public community meeting. There is time for public participation during the meeting as indicated on the agenda.
